

## Get Beach Slapped (Beach Chronicles)

Go on the ride of your life as the hilarious Lisa Morgan talks to you about anything and everything under the sun. She teaches you life lessons that she has learned from almost everyone who are near and dear to her-her husband, her mother, her father, her grandmothers, and even her missing aunt-and she provides you with in-your-face realizations about life, love, friendship, sense of self, laughter, relationships, faith, karma, and keeping it real. She takes her own everyday experiences-some good, some not so good, and some really bad-and relates them to useful advices that we can all use one time or another in our lives. Lisa holds nothing back as she writes with a passion about things and subjects that interest her, and she isnt afraid to show what her true opinions are on certain issues. Partnered with her witty quips and laugh-out-loud one-liners peppered throughout the pages, this book will make you smile, laugh, cry, and nod your head in agreement.
