

Jesus (Past masters series)

‘Carpenter’s Jesus is about as objective as possible, while giving every justifiable emphasis to the real and persistent forcefulness of the moral teaching of this charismatic personality. Kathleen Nott, *The Times* ‘an excellent, straightforward presentation of up-to-date scholarship ...I could find nothing with which to disagree. David L. Edwards, *Church Times* ‘Mr Carpenter has obviously made a thorough study of the latest New Testament scholarship; but he has also read the gospels with great care, pretending to himself that he was doing so without preconceptions, as a historian newly presented with the source material ...the most extraordinary achievement. Philip Toynbee, *Observer* This book is intended for students of Religion, Christianity, comparative religion from sixth form upwards.
