

The Spirit: The Movie Visual Companion

Will Eisner's classic comics character makes the leap to the screen in this spectacular new live-action movie written and directed by Frank Miller (*Sin City*, 300), and starring Gabriel Macht as The Spirit, Samuel L. Jackson as his psychotic arch-nemesis The Octopus, and Eva Mendes and Scarlett Johansson as alluring femmes fatales. In Central City, one man fights crime using nothing but his wits and his fists. He wears a mask, a suit and a fedora, and he is known only as The Spirit... This stunning volume, with directors commentary, contains interviews with the cast and the crew, color photos & production art, and scores of Frank Miller sketches, plus excerpts from the screenplay.
