

Learning from Jesus: A Spiritual Formation Guide (A Renovare Resource)

Become a Student of the Master To Christians, Jesus is many things: the Son of God, the pivotal figure in whom we put our trust and who speaks on our behalf, a companion in the life of faith. But Jesus is also an incredible example of how to lead a faithful life. Jesus, as a human, walked on earth and confronted the same struggles that we face. Our primary mission as his followers is to learn from him - to become his apprentices. In this book we seek to further our apprenticeship by studying everything from Jesus's interactions with those around him to the revolutionary wisdom recorded in the Gospels. Learning from Jesus is conveniently organized for individual or group study, and each section of this guide leads you further down the path to true discipleship.
