

Spiritual Housecleaning: Protect Your Home and Family from Spiritual Pollution

Demons do not need a specific invitation to oppress and influence peoples lives; they sneak into homes, families and churches at the smallest opportunity, often under the noses of even the most vigilant believers. Spiritual House Cleaning explains, step by step, how readers can rid their lives of the enemys influence. This revised and updated edition includes new, amazing stories from people who have experienced spiritual victory using biblical warfare methods described in the book. Parents and church leaders will be inspired and equipped to establish the Lords reign in their homes and churches.
