

St. Pauls Ethical Teaching (Classic Reprint)

The War has directed attention to many ethical questions, which will be the subject of much discussion in the future. The broad principles which underlie Christian ethics are fully stated in St. Paul's Epistles, and no apology is necessary for restating them in these critical days of our national life. I take this opportunity of expressing my gratitude to the tutors of Wolsey College, Oxford, for the help they have given me in preparing the work, and for their wise criticisms. William Martin. November (Typographical errors above are due to OCR software and do not occur in the book.)
