

Star Wars vs. Star Trek: Could the Empire kick the Federations ass? And other galaxy-shaking enigmas

Could a Jedi knight use his light saber to deflect a beam from a phaser? Which aliens are cooler: the Cardassians or the Chazrach? Have any Federation ships ever made the Kessel run in less than twelve parsecs? And most important, in a fight between the Empire and the Federation, who would win? Ever since Princess Leias starship hovered into sight on the silver screen, fans of Star Wars and Star Trek have been debating these questions. Now, side by side, they can line up aliens, technology, story points, weaponry, and heroes from the two great science fiction/fantasy stories of our age. For fans everywhere, this volume offers detailed information about both universes, as well as trivia, quizzes, quotes, and information drawn from these two iconic settings. So phasers on stun and light sabers at the ready! Its time for the duel to begin.
