

## The Babylonian Captivity (Classic Reprint)

See the Essay on Gyrus the Second, in Volume I, Part 2, of the Transactions of the Society of Biblical Archaeology ;hy J. W. Bosanquet, F.I i.A.S. Also Messiah the Prince, hj the same A iothor; Longmans and Co. BY WILLIAM HENRY BROWN, B.A. No one who has made the attempt to understand the course of events in the East at the time of the Captivity of the Jews, or to fix the dates of the reigns of Nebuchadnezzar, Belshazzar, and Cyrus the Great, can have failed to be wonderfully perplexed with the difficulty of the subject, and with the number of varying schemes which are met Atin different histories and dictionaries. No satisfactory plan has ever yet been hit upon by which to reconcile the conflicting data and names. Nabonidus, king of Babylon, who, according to Berosus, was overthrown by Cyrus, has been supposed to be the same as Belshazzar ;whereas recently-discovered inscriptions represent him as his father. Cyrus has always been considered to have been the conqueror of Babylon ;and yet we are distinctly told by Daniel that, on the overthrow of her last king, Belshazzar, Darius the Median took the kingdom. o The Life of Cyrus commonly called Cyrus the Great has come down to us written by Herodotus, the father of history, and by Xenophon in his Cyropsedeia.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
