

# Strategic Management: Theory & Cases: An Integrated Approach

This comprehensive and engaging text presents the accumulated knowledge of strategic management scholarship in a way that is very accessible to students. Highly respected authors Hill, Schilling, and Jones integrate cutting-edge research on topics including competitive advantage, corporate governance, diversification, strategic leadership, technology and innovation, and corporate social responsibility through both theory and case studies. Based on real-world practices and current thinking in the field, the 12th edition of STRATEGIC MANAGEMENT features an increased emphasis on the changing global economy and its role in strategic management. The appendix walks students through the case-analysis process, and explains key ratios that managers use to compare the performance of firms. The high-quality case study program contains 31 cases covering small, medium, and large companies from a large range of industries and nations. Featured cases in this edition include Tesla Motors, Indias Tata Group, Sangamos development of a gene editing cure for HIV, Skullcandy, Uber, Microsoft, Google, and Staples. The MindTap learning solution will help you prepare students to become the next generation of strategic leaders.
