

Simple Secrets to a Beautiful Home: Creating a Place You and Your Family Will Love

The good news is that a beautiful home doesn't require too much money, too much energy, or too much time. Bestselling author and home-management expert Emilie Barnes shows readers how they can easily weave beauty and happiness into the fabric of their daily lives. With just a touch of inspiration, readers can turn their homes into havens of welcome and blessing, build a lifestyle that beautifully reflects their unique personalities, enrich their spirits with growing things (even if their thumbs are several shades shy of green), make mealtimes feasts of thanksgiving and kitchen duty fun, establish traditions of celebration that allow joy to filter through to everyday life. Formerly titled *The Spirit of Loveliness*.
