

Taxpayers Tea Party: How to Become Politically Active--and Why

A Manual for Political Revenge! A Step-by-Step guide to a Citizens Revolution!! Tax Payers are in Revolt, with Tea Party Protests Across the Nation. Written by a Leading State Congresswoman, With a Foreword by Newt Gingrich and an Introduction by Rush Limbaugh. Profusely illustrated by Award-Winning Cartoonist Chuck Asay. In living rooms across America, citizens are struggling to pay their taxes and also struggling to believe that the same congressmen they elected on promises of not increasing those taxes are not planning to do just the opposite. Sally Jefferson is one of those Americans, but she's not just going to mouth off to her coworkers about how tough it is. She and her friends are going to DO something about it this time, and prove that democracy still works in the process. Taxpayers Tea Party is more than a manual for political revenge; its step-by-step guide in cartoon form to carry out our own American Revolution.
