

My Ancestry Research (Navigating Genealogy Websites) (Volume 1)

My Ancestry Research helps you to navigate and search Ancestry.com and has worksheets to help you with your research. When your time is limited it pays to be prepared and organized before you begin researching on a paid subscription website. It has a unique document checklist that complements your using Ancestry.com and pages to help you organize your ancestors facts and information you already have. There are even pages for writing notes and a section for adding images.
