

The 5 Minute Clinical Consult for Dental Professionals (WINDOWS/MACINTOSH CD-ROM)

All the advantages of The 5-Minute Clinical Consult for Dental Professionals meet CD-ROM technology in this innovative product that offers the busy dental professional a ready reference for almost 300 clinical entities of interest, plus 15 common patient education topics. Dental problems, emergency care, pain, and medical problems are all covered, with search-by-entity capabilities that provide instant access to needed information. Color illustrations help the user identify problems, and icons speed search processes and provide consistent organization. For each clinical entity the program provides Basics, Etiology, Diagnosis, Treatment, ICD-9 Coding, and Miscellaneous information. Content can be printed out at any time for portable reference or patient education.
