

The 5 Roads to Freedom

Back cover text: This small book is all about bringing to our awareness and addressing perhaps the most fundamental aspect of our lives, and that is, the principles of our birthright. Whether we realise it or not each and every man and woman living on Earth today, are born as sovereign individuals. It is our ordained birthright to be enjoying life, liberty & happiness regardless of our individual background, social status, culture or religion. By virtue of being born and alive, every individual has the inherent liberty to live life in accordance with natural law and therefore achieve a high degree of happiness. The reader is encouraged to study, question and indeed apply the 5-planks laid out within the book...
