

The 5:2 Diet Cheat Sheet: Breakthrough 2-Days-a-Week Dieting

If you want to know the specifics of the breakthrough 5:2 Diet, then The 5:2 Diet Cheat Sheet will walk you through the diet without boring you with all the fluff. You'll discover:*

- * The Truth about how much weight you'll actually lose on the 5:2 Diet*
- * 2 cheap foods to use on your (IF) days (one food is a cheap convenience food and the other you can make in a few minutes, but both make your fasting days a breeze)*
- * Why Intermittent Fasting (IF) doesn't require you to go without food (you can eat food 3 times a day, every single day, if you want... even on fasting days)*
- * A big mistake me-too 5:2 Diet books make when outlining foods to eat*
- * How to incorporate cookies (YES, COOKIES) into the 5:2 Diet*
- * How to use the 5:2 Diet to reduce your odds of getting diseases and illnesses*
- * What you can do to transition this diet into a lifelong healthy eating program*
- * Which foods are pure DISASTERS on your 2 fasting days (other 5:2 books get this wrong!)*
- * And much, much more...Jennifer Jolan is a bestselling author (hundreds of thousands of diet and health books sold) who has been writing about and researching Intermittent Fasting (IF) since 2009. With the 5:2 Diet being a concept diet and not a specific diet, it's best to seek out a trusted and experienced diet author who knows the Ins and Outs of Intermittent Fasting. Most of the 5:2 Diet books on the market were written by authors in early 2013 who have no experience or qualifications to write on the subject. They just re-hash (badly) what they saw on a documentary. Jennifer Jolan not only takes you step-by-step through the 5:2 Diet basics, she also adds her unique twists and tweaks to enhance your diet results within the framework of the 5:2 Diet protocols. She also included 12 bonus reports you'll never see anywhere else.
