

The Art of War: The Strategy of Sun Tzu

The timeless original text; required listening for any business-person or athlete interested in strategy. This is a work of subtlety and paradox that shows the way to a clean and aesthetic triumph. Sun Tzu insisted that a skilled warrior observes, calculates, outwits, and outmaneuvers an adversary, and in doing so averts the destruction of battle. Includes a soundtrack entitled The Mysterious Sound of Wind in the Bamboo, a 43-minute 14-track collection of Zen-inspired Japanese music by the Matsu Take Ensemble.
