ABOUT THE BIBLE AND THE CHRIST OF THE BIBLE is an Apologetic Guide to the Most Difficult Issues of the Faith. Many have been shaken in their faith by the critical discussions of the past 120 years. Many agnostics, skeptics, Unitarians, and destructive critics have been led by the information herein to give up their former erroneous positions. Moreover, many in the faith, who had begun to doubt, heading for spiritual shipwreck, have been delivered by snatching them out of the grasp of the Bible critics. Allow this apologetic work to help you, if you have begun to doubt, or to educate yourself, so that you can help save another.
