

The Cosmographia of Bernardus Silvestris

Several studies on the often turbulent relationship between the Christians and the Jews. The first, by Professor Hyam Maccoby, is a historical-theological overview of Christian anti-Judaism and anti-Semitism. The second study, by the editor, provides a critical historical-political overview of the We Remember document. Three theologians also respond to the Vatican document: Reverend John F. Morley, a Catholic; Professor Franklin H. Littell, a Protestant minister; and Rabbi A. James Rudin.
