

## The Death of Amelia Marsh (Sally Nimitz Mysteries Book 1)

Sally Nimitz is a widow living in a small mid-western town with a satisfying ordinary life. She is invited to visit her neighbor one afternoon, an elderly lady with a charming English accent. When she arrives for the appointment, the lady is lying on her kitchen floor, dead from a blow to the head. Sally finds herself drawn into the puzzling crime; why would anyone want to kill Mrs. Marsh? As she looks for answers, Sally discovers a talent dormant within herself for solving such a puzzle. With the aid of two friends this budding female sleuth learns Amelia Marsh's life was a mystery in itself, and there are secrets hidden in her past. tags: cozy mystery, female sleuth, mystery, fiction, general audience
