

The Disciples Hands: Practical Disciple Making Concepts To Help Equip Believers In The Vision Of The Great Commission

The Disciples Hands is a practical and simple guide for helping any believer reproduce disciples of Jesus. The Author, Dr. Jerry Smith, has spent over thirty years as a pastor, teacher, missionary, and disciple maker. Much of the content of the book was used to help make disciples, many of whom are still reproducing in like kind. The author believes that the command of Jesus in The Great Commission is still viable today. But many have misinterpreted it, misapplied it, or simply ignored it. He confesses that The Disciples Hands book is not exhaustive, but rather an important starting place for those concerned about making disciples.
