I am a well-loved wife. Is this something your wife would say? Here's your guide to making those words a reality in your marriage. What do women want? This question has stumped the greatest male minds for centuries. Of course, if you're married, a much better question is, What does your wife want? As Darrin and Amie Patrick reveal in this profoundly practical and transformational book, God designed your wife to want to be loved. Practicing ten powerful actions including listening, pursuing, and serving will transform you into your wife's lifelong champion and have her nominating you for the Husband Hall of Fame. The Dudes Guide to Marriage is for guys who want to grow, who want clear steps to improving their marriage. It's for men who want a marriage that thrives rather than just survives.
