

The Goon Show, Volume 2: Enter Bluebottle

Goon but not forgotten. From 1952 to 1960 the Goons ruled the airwaves, the most celebrated and influential clowns in the history of radio. Here's another crazy quartet of cult comedy classics from those wireless wizards Peter Sellers, Spike Milligan, and Harry Secombe. This collection features Lurgi Strikes Britain, The International Christmas Pudding, Napoleons Piano, and The Flea.
