

To Act According To The Gospel

Offering the fruit of a lifetime of systematic study and teaching, one of the foremost gospel scholars of our generation seeks to present the whole message of the gospel in such a way that it can be seen at a glance. Exploring the fundamental experience of Jesus and his relationship to prior Jewish tradition, Leon-Dufour considers such vital domains of human action as money, sexuality, and human relationships - distilling essential principles that will allow Christians today to engage the realities of the modern world. Tempering scholarship with a pastoral tone, he highlights the love and forgiveness at the center of the gospel message.
