

The Imperial War Museum Book of the War in Burma 1942-1945 (Pan Grand Strategy Series)

The campaign in Burma was the longest and biggest ground war fought by the British and Americans against the Japanese. Including 1000 mile-long retreats and the great Allied victory at Kohima-Imphal, Burma brought the Allies a wealth of incomparably bitter combat experiences. Using the Imperial War Museums archives, Major General Julian Thompson provides a gripping and unforgettable picture of what it was like to fight in this extraordinary conflict.
