

# The Imperishable Seed of Christ: Understanding The Believers Spiritual D.N.A.

Having purified your souls by your obedience to the truth for a sincere brotherly love, love one another earnestly from a pure heart, since you have been born again, not of perishable seed but of imperishable, through the living and abiding word of God. 1 Peter 1:22-23  
What is this imperishable seed with which weve been born again? All flesh is like grass and the things of this world will fade away. In this short but rich book Steve Bremner challenges you to live a life that is imperishable and will survive the transition into the age to come while the things of this world, pass away. This book is also an exploration of the parable of the sower and the principles of reproduction in the Kingdom of God, focusing primarily on Christs imagery and language about the seed in the parable of the sower, as well as Pauls construction metaphors in his first letter to the Corinthians.
