

The Kiss: Love Stories from North America - With Audio, Oxford Bookworms Library

A level 3 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Jennifer Bassett. Love stories with a difference . . . There's a kiss by a fireside that was a mistake, there's a man-hating aunt by the seaside, and a gunman in Texas wanting a fight. There's a white heron flying over a forest, and a messenger running between two benches in a park. And of course, there's a girl who meets a boy . . . These love stories are by US writers Kate Chopin, Stephen Crane, Sarah Orne Jewett, O. Henry, and Canadian writer Lucy Maud Montgomery (author of the famous Anne of Green Gables).
