

## The Lion Sleeps Tonight

Meet Colonel Quentin James Abernathy (Ret.), former member of Her Majesty's Armed Forces. Colonel Abernathy retired some years ago as a bachelor, and now lives off his pension and his family's fortune. He is quite old, and belongs to a stately London gentlemen club. In *The Lion Sleeps Tonight*, Colonel Abernathy tells a tale to a club acquaintance - a tale of 1950s British Guyana in South America, and the Colonels encounter with a lion. But this is no ordinary lion. This lion has been extinct for 10,000 years! Find out what happened in that long-ago time, in the good Colonel's own words, in T. M. Bilderback's rousing adventure short story, *The Lion Sleeps Tonight!*
