

The Lost Books of Merlyn: Druid Magic from the Age of Arthur

If you're involved in any form of Celtic Wicca or Witchcraft, or if you just want to know more about the ancient Celtic Priests, the Druids, you need *The Lost Books of Merlyn* by Douglas Monroe. But you're not the only one who wanted this book. After his first book appeared, he received over 20,000 letters asking for more! That's the purpose of this book. *The Lost Books of Merlyn* is a series of writings which have come down to us as attributed through the pen of Merlyn, or more precisely as having originally been in his keeping. Merlyn (upon whom the mythical Merlin was based) was a Druid, and the Druids were the priest-priest-initiators of their people. So this book is a reconstruction of the ancient philosophy, beliefs, and methods for personal transformation you can use today. The book is composed of three parts, each one based on old Celtic legends, in the form of a story. Why was it written that way? Because that is the way the Druids, the Celts, would have done it—that is the way they taught. The three sections are *The Battle of the Trees*, *The Book of Pheryllt*, and *The Gorchan of Maeldrew*. When these stories were originally told, the people knew the meanings of their symbolism. Not so, today. Therefore, at the end of each section is a grimoire explaining the meanings and, at the same time, sharing rituals, oracles, and magical methods. You'll learn about tree oracles, Celtic signs of power, and the Druidic pantheon of deities. You'll discover how to contact Faery folk, the power of words, and charms of protection. Revealed, too, is how to make and use dowsing rods to find ley lines, and the secrets of magical dance and music. Also, you'll find out the secrets of the Charm of Making and the proof that it was ancient before it was popularized in a movie. This just barely scratches the surface of the book. You'll find that the wisdom here will touch you and help you

on your path. Read it and learn.
