

The Making of a Man Study Guide: How Men and Boys Honor God and Live with Integrity

What Does It Take to Be a Godly Man? Every young boy dreams about what he wants to be when he grows up. Some have goals of becoming an astronaut, or a fireman, or a professional athlete. But what does it take to be a man? How does a young person get there? In this six-session video-based curriculum, NFL All-Pro, sports analyst, and businessman Tim Brown uses experiences from his life to teach men the principles and priorities he has learned for leading a life that honors God. Through his stories of struggling with God, overcoming temptations, and discovering what it takes to be a good husband and father, he shares what true manhood is all about and what guys must do to attain it. These principles have helped Tim lead a life of honor and integrity that has made him one of the most respected men in the world of sports. The Making of a Man will not only inspire men of all ages but also challenge them to measure their lives and success by a higher standard.
