

The Abundant Marriage (Focus on the Family Marriage Series)

Gods Blueprint Offers Joy and Longevity--To All Marriages

Countless surveys cite financial discord as a main reason for divorce, but this does not have to be! In *The Abundant Marriage*, you will discover Gods design for marriage as laid out in Genesis, learn to communicate with your spouse about the need for more time and money, find out how to be a better steward of your relationship with your spouse and others, and uncover your gifts and how to better serve your marriage with them. This study contains four sessions, each with four main components: Tilling the Ground, Planting the Seed, Watering the Hope, Harvesting the Fruit. Learn to live the abundant married life . . . as God intended. We often hear that the institution of marriage is suffering. But there is good news, too! By submitting their relationships to God and seeking out the right resources, married couples can know what it means to truly thrive. That's what Focus on the Family's Marriage Series is all about. Whether you're in a small group, a mentoring relationship, or you just want to study as a couple, this series can transform your marriage for the better.--Jim Daly, President, Focus on the Family

Marriage is an amazing adventure--filled with excitement, joy, and challenges. Focus on the Family's Marriage Series examines Gods gift of marriage in all of its wonderful dimensions. I consider it a privilege to be involved with this important set of relationship-strengthening resources.--Dr. Greg Smalley, Vice President, Family Ministries, Focus on the Family
