

The Mikado: Easy Piano Picture Book (Faber Edition)

Ever since its premiere just over a century ago, *The Mikado* has consistently held the stages as one of the world's best-loved comic operas. The story tells how Nanki-Poo, son of the Mikado, overcomes all opposition to marry his sweetheart Yum-Yum. On the way he encounters such unforgettable characters as Ko-Ko, the timid tailor unexpectedly promoted to the rank of Lord High Executioner, and Pooh-Bah, Lord High Everything Else, who is so proud that he refuses to lift a finger - except on payment of a small fee . . . This exquisitely illustrated Easy Piano Picture Book incorporates easy-to-play versions of the most famous songs from the show including *Three Little Maids from School*, *The Moon and I* and *Tit-Willow*. It will delight Gilbert and Sullivan fans of all ages.
