Prescotts *History of the Conquest of Mexico*, and Theodore Roosevelts *The Naval War of 1812*. **THE DECLINE AND FALL OF THE ROMAN EMPIRE (ABRIDGED)** Edward Gibbons masterpiece, which narrates the history of the Roman Empire from the second to the fifteenth centuries, is widely considered the greatest work of history ever written. This abridgment retains the full scope of the original, while emphasizing elements ignored in all other abridgments in particular the role of religion in the empire and the rise of Islam. **MONTCALM AND WOLFE** The result of more than forty years of passionate research, *Montcalm and Wolfe* is the epic story of Europes struggle for dominance of the New World. Thought by many to be Francis Parkmans greatest work, it is a riveting read and an essential part of any military history collection. **HISTORY OF THE CONQUEST OF MEXICO** William H. Prescotts sweeping account of Cortess subjugation of the Aztec people has endured as a landmark work of scholarship and dramatic storytelling. This pioneering study presents a compelling view of the clash of civilizations that reverberates in Latin America to this day. **THE NAVAL WAR OF 1812** Published when its author, Theodore Roosevelt, was only twenty-three years old, *The Naval War of 1812* was immediately hailed as a literary and scholarly triumph, and it is still considered the definitive book on the subject. Roosevelt's inimitable style and robust narrative make *The Naval War of 1812* enthralling, illuminating, and utterly essential to every armchair historian.
