

## The Old Testament (Junior High Group Study) (Uncommon)

Through the Old Testament, we find out why God made us and the world. But many youth leaders aren't sure how to introduce these stories to their junior high students. The Old Testament, which begins with the story of Adam and Eve, can help leaders introduce tweens to our common history and purpose. They'll examine how God created the world, how the first family was established, and how sin entered the world. As they journey forward in time, they'll learn about worship's beginnings in the era of Noah and about the adventure of faith beginning with Abraham and many other biblical figures: Joseph, Moses, Samuel, David, Josiah, Daniel and Esther. Plus, reproducible student handouts and additional lesson options are available for download.
