

The Open Table Participants Guide, Vol. 2: An Invitation to Walk with God

What does it look like to walk with God? We all know relationships take effort and time and intentionality. Like crops from the soil, our souls, our relationships need nurturing in order to bear fruit. In The Open Table: An Invitation to Walk with God, Don Miller and his friends have created a guide to cultivating and nurturing your soul in such a way that something can grow, something that will sustain you, namely a relationship with God. Perfect for individual or small group use, with state-of-the-art video and powerful personal testimonies, this second installment of The Open Table is infused with humor, truth, history, and above all, honesty. With insights, Scripture, and questions for discussion, The Open Table: An Invitation to Walk with God Participants Guide is the perfect companion for those who want to dig deeper into this life-changing conversation.
