

The Perfect Diet for You and Other Stars (Healthy Lifestyle/Healthy Living -- A New Way of Looking at Food, an Ideal Attitude for Healthy Living and Great Weight-Loss Formula - for Adults and Kids)

Like you and other stars in your life may not have solved your diet/weight loss problems and perhaps. This formula clarifies what is truly important in regards to eating and maintaining healthy eating habits permanently. Attitude and appreciation play a major role in the solution to weight control. Once you're on board with this new way of thinking, there will be no more pushing and pulling of the will, whether to have a high-calorie dessert or not. Decisions become ease. Self-respect grows. You will learn to reward yourself differently -- by creating a perfectly balanced and fit you! This book goes to the heart of the matter for those who want to lose weight and keep it off. It is about losing weight naturally, safely and forever. There is more to dieting than counting calories and wearing yourself out with exercise. This book gives hope to those who have lost hope in the battle of the bulge. It helps you see what is truly important and why you should change your attitude and activities toward eating and food. Here is what you'll learn: * How society has distorted our view regarding body shape * How you're not alone in being overweight * How we use food as an emotional substitute * How we mistake ourselves for our body. Here is what you'll get: * The perfect attitude toward food * The perfect attitude toward yourself * The perfect solution to solving your weight problems Here are a few book reviews: Sally reminds us that food is energy and we need to focus on the quantity and quality of the energy we are feeding our bodies. Most of us are feeding an emotion, and not our bodies at all. Sally helps us to remember that we should treat ourselves as we would our best friend, we wouldn't treat our friends the way we treat our bodies, so why are we so unconsciously destructive? Read her e-book and discover her simple secrets for learning how to be kind to your body once again and listen to the messages it

gives you. -- Stacy L. Corrigan Sally Huss creates stunningly witty books, that cover every corner of diet. Its through her stories that every generation is reached in an informative way to make positive transformation. The illustrations come alive throughout the pages making it even more of an experience to dive into. Big thumbs up on this one. -- T. Mauer -- Charming and whimsical illustrations by Sally Huss. -- Beyond counting calories and other distasteful calculations. -- A process that will tickle your funny bone while the weight falls off of your other bones. If this sounds like something you'd like to know and you would like to learn how to develop perfect weight control, then jump in and open the sample of the book to read further by clicking on the cover of the book to look Inside the Book.
