

The Practice of Godliness

Over 500,000 copies in print! Godliness has value for all things. ?1 Timothy 4:8 (NIV) How can you develop godly character? Bestselling author Jerry Bridges says that godliness is more than a character trait: It is a foundational spiritual quality that makes the entire Christian life dynamic, effective, and pleasing to God. Growing in godliness is a twofold process. It involves an ever-deepening devotion to God and developing character that is steadily transformed into His likeness. In *The Practice of Godliness*, the sequel to the popular book *The Pursuit of Holiness*, readers will learn how laying an inward foundation of God-centeredness will permit them to build an outward structure of godliness. Character formation will never be the same! Discussion guide included.
