

Walking in the Word: A Family Journey From Genesis to Revelation

As Christian families it is good to discover how to apply the whole of Gods Word to our lives. This book gives families the opportunity to read through the story of the Bible together, finding out how it all fits together and how it can affect our lives today. This is a flexible book, to be used in the way that suits your own family best. The readings give the family a chance to read Gods Word together, discuss the things that affect their lives, to encourage each other in their faith, and to reach out to tell others the Good News of Jesus. It has some practical activities, memory verses, and encouragement to pray for others.
