

Its All about Me: The Problem with Masturbation

Its normal. Everyone does it. Nobody gets hurt. These are some commonly held beliefs about sexual fantasy and masturbation, but are they really true? Are sexual fantasies and masturbation harmless ways of dealing with sexual frustration? In *Its All About Me: The Problem with Masturbation*, Marriage and family counselor Winston T. Smith uses his counseling experience and biblical knowledge to show how these seemingly harmless pursuits negatively impact you and your ability to have healthy relationships with the people in your real life. Then he shares how you can build a new inner world founded on Christ's love, instead of your imaginary fantasies. As you do so, your life will grow richer in real relationships and your fantasy life will pale by comparison. All the minibooks in our Christian bookstore offer gospel-centered hope for everyday issues like parenting, marriage, and personal change. These easy-to-read discipleship and biblical counseling resources tackle life's toughest issues in 30 minutes or less.
