

The New Magdalen (Annotated)

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. Novel published in 1873, dedicated to the memory of Charles Allston Collins who died during its composition. One of the most didactic of Wilkie Collins's novels with a purpose, treating the then fashionable theme of the fallen woman who attempts to put her past behind her but is repeatedly thwarted by the prejudices of respectable English society. The heroine is not only, conventionally, rescued by a clergyman but, unconventionally, finally married to him.
