

The Secret of Guidance (Moody Classics)

Now with a new foreword by Dallas Willard. F. B. Meyer writes, The grace of purity and self-control, of fervent prayer and understanding in the Scriptures, of love for men and zeal for God, of lowliness and meekness, of gentleness and goodness--all is in Christ; and if Christ is in us, all is ours also. F. B. Meyer was a contemporary and friend of D. L. Moody who was also a pioneer in the field of inner-city missions work. Drawing constantly on Scripture in this book, Meyer exhorts us to seek after God's best for our lives by examining our inner motives, understanding Christ's role in our present-day, and then examining how we ought to then bear up underneath the secret of God's guidance.
