

The Seven Spiritual Laws of Superheroes

Deepak Chopra has developed his own unique form of complementary, mind-body medicine. U.S. News & World Report The world needs heroes, and, as spiritual authority Deepak Chopra demonstrates in this gripping and deeply perceptive meditation on our potential to excel, everyone of us possesses the power to help save the planet and the strength to claim our best possible lives. For readers who draw inspiration from comic books and movies like Ironman, The Uncanny X-Men, and Superman, for the Peter Parkers who wonder how to unlock their inner Spider-man, Chopra illuminates the path to becoming a spiritual superhero, teaching us how to wield the great power of the human heart to work real changes in ourselves and in the world around us.
