

The Shack Revisited: There Is More Going On Here than You Ever Dared to Dream

Wm Paul Youngs 2008 novel THE SHACK was a publishing phenomenon all over the world. Now respected theologian C. Baxter Kruger enlarges and articulates more fully the vision that Wm Paul Young created in THE SHACK. An exploration of the Trinity, the nature of God and our relationship to him, this book picks up where THE SHACK left off, and answers many readers questions.
