

The Source of Miracles: 7 Steps to Transforming Your Life through the Lords Prayer

The real secret to creating and sustaining an abundant, joyous, and fulfilled life has been hiding in plain sight -- in the power of the prayer that unites two billion Christians worldwide, the prayer that each one of them knows by heart. True happiness and success can't just be wished for. The real secret to fulfillment lies in using the Lords Prayer as part of an ongoing spiritual practice that leads to real and lasting change in the soul - change that will manifest itself in earthly, tangible ways. Each chapter in *The Source of Miracles* is a guide to one of seven steps in that process, corresponding to a primary teaching of the prayer: faith, surrender, service, abundance, forgiveness, obstacles, and love. Each chapter also includes meditations, affirmations, and other activities designed to help readers work through life's challenges. In her best-selling fiction, Kathleen McGowan has popularized the world of Christian esoterica, a unique place where New Age and Christianity meet, making ancient teachings new and powerful. *The Source of Miracles* harnesses the wisdom of those traditions at a time of great material and spiritual uncertainty, when the need for signposts on the road to success has never been more acute.
