

The Sower: Follow in His Steps

In Jesus day, it was common for large crowds to gather to hear His words. Some people were curious. Some were skeptical. Some were burdened. Some were joyous. Still, the Son of Man sowed the seed of truth into stony hearts and thirsty souls. The lessons that can be gleaned from the parables of Jesus - especially the parable of the Sower - are innumerable. As you walk in His steps for the next 31 days through the biblical inspirations and guided questions in this audiobook, you, too, will be moved to proclaim Gods salvation to the lost, His forgiveness to the broken, and His hope to the weary. The parable reminds us that not every seed will take root and bear fruit. But Scripture tells us to follow in the Saviors steps anyway. To sow the good seed of the Gospel. To go into your world, your neighborhood, your school, your workplace, and declare the truth about our God who saves.
