

Killer Spy: The Inside Story of the FBI's Pursuit and Capture of Aldrich Ames, America's Deadliest Spy

In the waning days of the Cold War, Aldrich Ames cold-bloodedly sent a dozen of the U.S.'s best double agents to their deaths, betraying them to the Soviets for \$2 million. Now, America's premier true crime author exposes how the FBI finally caught up with this perfidious traitor after he managed to slip through the CIA's own censors for eight years. Photos.
