

The Stupidest Angel Low Price CD: A Heartwarming Tale of Christmas Terror (Pine Cove Series)

Move over, Charles Dickensits Christopher Moore time. Twas the night (okay, more like the week) before Christmas, and all through Pine Cove, California, people are busy buying, wrapping, packing, and generally getting into the holiday spirit. But not everybody is feeling the joy. Little Joshua Barker is in desperate need of a holiday miracle. No, hes not on his deathbed. But Josh is sure that he saw Santa take a shovel to the head, and now the seven-year-old has only one prayer: Please, Santa, come back from the dead. But hold on! Theres an angel waiting in the wings. (Wings, get it?) Its none other than the Archangel Raziel come to Earth seeking a small child with a wish that needs granting. Unfortunately, our angels not sporting the brightest halo in the bunch, and before you can say Kris Kringle hes botched his sacred mission and sent the residents of Pine Cove headlong into Christmas chaos, culminating in the most hilarious and horrifying holiday party the town has ever seen. Only Christopher Moore, the man who brought you the outrageous lost gospel Lamb and the hysterical fish tale Fluke, could have devised a new holiday classic that tugs at the heartstrings and serves up a healthy slice of fruitcake to boot.
