

The Thank You Book

Carole Stuart and Arthur Robins want to teach children a simple lesson: the importance of saying thank you. Stuart and Robins show children and their parents how easy these words can be to say and when, during a typical day, it might be appropriate. In the company of a brother-and-sister team, readers go from breakfast through bedtime, learning all the thank-yous along the way. Robins is the winner of the Nestle Smarties Book Prize, the English equivalent of the Caldecott Medal.
