

The Ultimate Encyclopedia of Cricket

Fully updated to include Englands triumph in the West Indies and Indias historic with Pakistan, The Ultimate Encyclopedia of Cricket is a comprehensive, single-volume illustrated work of reference, telling you everything you need to know about the game. It provides essential information not only on the top cricketers and leading first-class competitions, but the great matches, the famous cricket grounds, the business of cricket and all the controversies that have had such a profound influence on the game. Every player, tournament and issue of importance in the history of cricket is referred to somewhere in the book. Lavishly illustrated throughout, this book is the definitive work on world cricket and an invaluable companion to cricket fans everywhere. The Ultimate Encyclopedia of Cricket hits other cricket books for six.
