

The Will of God in an Unwilling World

Kalas offers a challenging and hopeful reflection on a conundrum that every human being deals with at some time in life, usually when facing a horrible tragedy, the death of a loved one, or the simple grinding pain of everyday existence: Why does God allow such suffering to exist? Is our pain Gods will? Pastors, students, and general readers will all benefit from the reflections of this seasoned pastor and theologian as he explores the concept of the will of God in a shattered and stubborn world.
