

Where Can You Turn When Your World Turns Upside Down?

What do we do when we are faced with the death of a loved one, the loss of a job, the life-threatening illness, the break-up of a marriage; or tornadoes or other catastrophes? The writers respond to the questions: If God is absolutely good, then why is there evil? How can we trust God when we are living through unbearable circumstances? What do we do when trouble comes? Why does God allow Christians to suffer? How can we overcome our fears and anxiety? How can we have peace in the midst of turmoil? This book gives practical steps to take in response to the difficult times in our lives.
